

Health and Safety Policy

The company is committed to a safe and healthy working environment for everyone using the premises as a place of work or visiting on business.

Management is committed to:

- Set health and safety objectives and performance criteria for all managers and work areas Annually review health and safety objectives and managers' performance
- Encourage accurate and timely reporting and recording of all incidents and injuries
- Investigate all reported incidents and injuries to identify all contributing factors and, where appropriate, formulate plans for corrective action
- Actively encourage the early reporting of any pain or discomfort
- Provide treatment and rehabilitation plans that ensure a safe, early and durable return to work
- Identify all existing and new hazards and take all practicable steps to eliminate or minimise the exposure to any hazards
- Ensure that all employees are made aware of the hazards in their work areas and are adequately trained so they can carry out their duties in a safe manner
- Encourage employee consultation and participation in all health and safety matters Enable employees to elect health and safety representatives
- Ensure that all contractors and subcontractors are actively managing health and safety for themselves and their employees
- Promote a system of continuous improvement, including annual reviews of policies and procedures
- Meet legal obligations as specified in the legislation, codes of practice and any relevant standards or guidelines.
